CEO Declaration – Our Commitment to YOU

A warm welcome to GEOS Language Centre Singapore!

GEOS Language Centre Singapore is part of an international network of schools stretching across more than 15 countries.

As an established education provider, we are fully committed to our service policy and mission - to provide quality language courses, as well as to promote international understanding and cross-cultural communications.

We are committed to providing excellent student care.

Our professional counsellors are there to help students living and studying in Singapore.

We can provide advice and assistance in accommodation, student visa application and post-graduation opportunities etc.

Our teachers are experienced and helpful. They are always ready to provide high-quality language programmes to help students achieve their language dreams.

Our school prides itself on its cosy and caring environment, where students will feel “at home” and our class sizes are small enough to ensure each student can learn effectively.

Teacher- student ratio can be at 1:6 and maximum 1:15/16 for the different courses offered at our language centre.

You can now enjoy our new facilities at Wellington Building. The classrooms are well-equipped and comfortable, and there are internet and email facilities to allow students to stay in touch with their families and loved ones while they are studying abroad.

We look forward to every new student joining our school and trust that their study experience with us in Singapore will be a truly memorable one.

Thank you.

Yours faithfully

Mr. Tsuneo Kusunoki
