Manager's Declaration – Our Commitment to YOU

Thank you for choosing GEOS Language Centre as the provider for your English learning journey! As an established education provider, we are fully committed to our service policy and mission – to provide quality language courses, as well as to promote international understanding and cross cultural communications.

We are committed to providing excellent student care. Our professional and friendly sales counsellors are there to provide appropriate advice to the students living and studying in Singapore. Our teachers are experienced and helpful. They are always ready to provide high-quality language programmes to help students achieve their language dreams.

Our school prides itself on its cosy and caring environment, where students will feel “at home” and our class sizes are small enough to ensure each student can learn effectively. Teacher- student ratio can be at 1:6 and maximum 1:16 for the different courses offered at our language centre.

You can now enjoy our new facilities at THONG SIA Building. The classrooms are well-equipped and comfortable. There are internet and email facilities to allow students to stay in touch with their families and loved ones while they are studying abroad. The coffee bar and student rest area are the best hang out places for students to exchange information and ideas.

We look forward to every new student joining our school and trust that their study experience with us in Singapore will be a truly memorable one.

Thank you.
Yours faithfully

Eben Lau
General Manager
